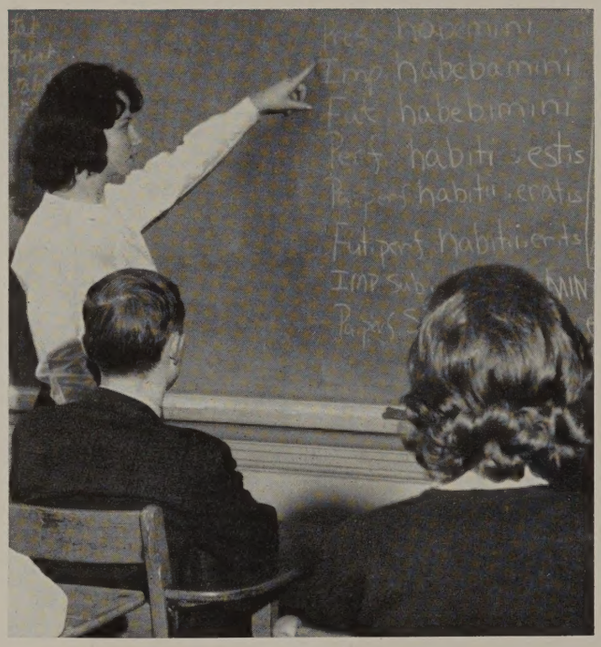
THE 1964 SPINNER

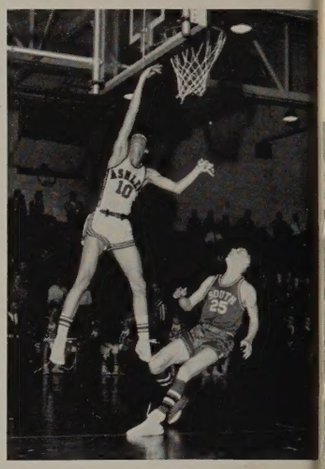
HIGH SCHOOL • Gastonia, North Carolina

Far out to sea . . .

a wave is born.

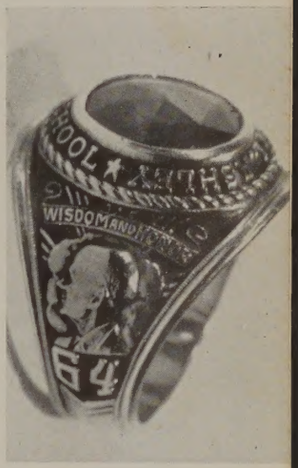
Slowly it begins to gather force
and momentum. It finds
strength in the depths and yet only
skims the surface of the sea
that is understanding,
knowledge, responsibility,
and peace.





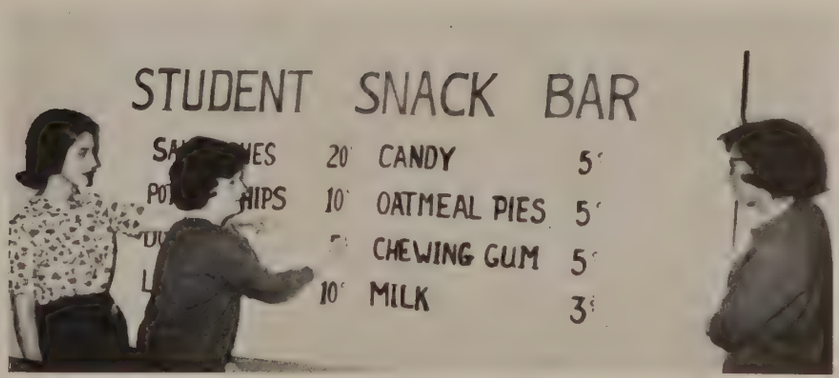
For some of us, our waves are
beyond the horizon;
for others, our waves have evested–
but soon mighty currents will
form again to carry us to
even greater heights.

Ashley High School is many things—classes, clubs,
assembly programs, football, basketball,
baseball, music, dances, a hootenanny, learning,
serving, growing—all making up a spirit, a personality, a way
of life which the 1964 Spinner staff has chosen
to call "Waves of Green."



WISDOM AND

Swarms of classes, touchdown passes—



cram exams, studies, buddies, white and green, a beauty queen

Things to do,
A project due;

Assembly show,
All must go;

Book rental fee,
An afternoon tea;

English themes,
Dramatic screams;

waves of emotion fill our lives with

Basketball schemes,
Promising teams;

Teacher's mood,
Lunchroom food;

Who will recall
The thrill of it all?

Weejuns, ski sweaters, fads.
Monograms, knee socks, scads!

excitement and school spirit . . .

Hardwork, homework,
Slow work, no work,

Enthusiasm, depression,
Progress, digression,

Seeing, being,
Listening, talking,

Showing that . . .

This

is ASHLEY HIGH!

DEDICATION

The students of Frank L. Ashley High School have been privileged to know E. J. Phillips as a man for whom we have had the utmost respect and as a counselor and friend. He has always been ready to help us with our problems, encouraging us so that we could find solutions when our problems, sometimes, seemed to have no answers. He has helped us to understand the value of learning to choose wisely, and made us realize that to be ready for the future we must be prepared.

Mr. Phillips came to Gastonia in September, 1949, to teach biology in this school, after having taught one year in Draper, North Carolina. In 1955 he became assistant principal and has held this position since that time. He is a native of Andrews, North Carolina. He was graduated from Western Carolina College at Cullowhee, North Carolina, with a B.S. Degree, later attending graduate school at George Peabody College for Teachers in Nashville, Tennessee, where he received Masters Degrees in Administration, Biology, and Physical Education.

Mr. Phillips is married to the former Mary Alice Cowan of Cullowhee. Mrs. Phillips, also, taught in Frank L. Ashley High School for several years. They have one son, Ernest Jake Phillips, III (Jakie), who is a student at Grier High School. The Phillipses are members of First Methodist Church in Gastonia.

The students of Frank L. Ashley High School respectfully dedicate our yearbook, 1964 SPINNER, to Ernest Jake Phillips, Jr., leader, counselor, and friend.

DR. WOODROW B. SUGG

Dr. Sugg has served as Superintendent of the Gastonia City Schools for six years. After graduating from Edgecomb County High School, he attended Atlantic Christian College where he received his A.B. degree. Dr. Sugg earned his M.A. degree from the University of North Carolina at Chapel Hill and his Ph.D. degree from the University of Florida. He was at one time principal of Arlington Junior High School; he also served as supervisor for the Gastonia City Schools. Dr. Sugg is a member of the Kiwanis Club and a member of the Board of Stewards of the First Methodist Church.

DR. RANDOLPH E. CAROTHERS

Dr. Carothers became principal of Ashley High School in 1955. He received his B.S. degree from Presbyterian College, M.A. from the University of South Carolina, and Ed.D. from Florida State University. He previously served as principal of the high school in Gaffney, South Carolina. Dr. Carothers came to Gastonia as assistant principal in 1954.

He is a member of the Rotary Club and an active member of the First Presbyterian Church. He enjoys spending much time at his river cabin with his wife and ten-year-old son, Randy.

THE SENIOR CLASS

"Crest of the wave . . ."

From uncertain beginnings in 1961, the class of '64 weathered the trials as lower classmen and reached at last the peak of their high school career.

Looking back over their three years at Ashley High, the Senior Class viewed times of adjustments and accomplishments . . . preparations for "Evening in Paris," the 1963 Junior-Senior . . . homecoming with all its excitement and glory . . . the Senior Class play, "Mother is a Freshman" . . . and that momentous night of graduation.

In looking toward the future, the class viewed many aspirations and sought-after goals . . . college, professions, and marriage.

These were the thoughts and memories of the class of 1964 as they arrived at the crest.

THE JUNIOR CLASS

"The rising tide" . . .

The juniors returned to school this year with the anticipation of building stronger foundations and facing new challenges—geometry, chemistry, Latin, and American Literature. The highlight of the year was the night of April 3rd when the juniors, after many weeks of hard work, honored the seniors at the annual Junior-Senior Prom. They eagerly awaited the arrival of class rings and also experienced something new in the March and May SAT.

All these things pointed the juniors to their high tide --graduation in 1965.

THE SOPHOMORE CLASS

"Ripples along the shore" . . .

Entering Ashley was a complete change, with a resemblance of starting to school again for the first time. Sophomores enjoyed the experiences of subjects not studied before, the snack bar, bonfires, pep rallies, service clubs and forming new and lasting friendships.

This class looked forward to their own rising tide and the crest of the wave—1966.

ACTIVITIES

Life at Ashley Senior High is greatly enriched by numerous extracurricular activities which include the Monitorial Council, the Student Council, and the Inter-Club Council. There are six service clubs, in addition to these councils, to maintain emphasis on the Honor System and the Monitorial System. Ashley, has three publications, *Fine Yarns,* the *Rhetor,* and the SPINNER. Vocal and instrumental students develop their talents in the mixed chorus and the band. Interest clubs are organized for the personal benefit and enjoyment of students.

Extracurricular activities are regulated by the ten-point system.

HOOTENANNY

Paul Short presides at assembly program.

All student activities are led by the Student Council, which is represented by the heads of the three classes. The goal of the Student Council—to augment the social and academic growth of the students—has been successfully carried out. To familiarize the sophomores with the customs and regulations of Ashley, the Student Council conducts orientation. A very successful campaign, "Kans for Kids," was carried out during Christmas season. The three classes competed for the prized golden can which the seniors won. The proceeds were donated to the Salvation Army for distribution to needy families. In honor of the Ashley faculty, the Student Council sponsored Teacher Appreciation Day on February 7.

The Inter-Club Council is a co-ordinating group among the various clubs of Ashley High School. It plans projects designed to help the school and to improve the clubs. The president and the vice-president of each club are members and the vice-president of the Senior Class serves as president of the council.

During the past year, the Council has sponsored the annual football homecoming and later a "Color Day." The theme of this year's homecoming was beautifully presented as the "Enchanted Forest." "Color Day" was the initial part of a project called "Spontaneous Spirit."

Ashley High School continues to use the monitorial system, which became a vital part of the school thirty-eight years ago. The monitorial body is made up of monitors and the Monitorial Council. Two monitors are elected yearly from each homeroom. The chief monitor and the assistant chiefs are elected by the monitors. Members of the monitorial body must maintain high averages, both in citizenship and scholarship. Monitors regulate hall traffic, help to enforce and uphold the rules, regulations, and traditions of the school. The chief duties of the Monitorial Council are to render decisions concerning the infringements of school rules and customs and to take corrective measures. The Monitorial Council and three representatives from the Student Council form the Honor Council.

THE RHETOR

The school year of 1963-1964 marks the second year of publication for the *Rhetor*. The purpose of this publication is to encourge young people to write creatively. The *Rhetor* consists of poems, short stories, essays, sketches, and—a new addition this year—illustrations.

Contributions from local merchants and the sale of the magazine itself make possible the publication. The staff is composed of thirteen seniors who meet during third period each day.

This is the fifth year of service for the Junior Civitan Club here at Ashley. Membership is based on scholarship, leadership, citizenship, and willingness to serve. This year's services to the school and community included the operation of concession stands at home ball games, participation in the March of Dimes campaign, the annual fruit cake sale for the benefit of the Handicapped School, the sale of American Field Service Christmas cards, and the Halloween candy sale. The motto of the Junior Civitan Club is "Builders of Good Citizenship." Meetings are held twice a month.

Since its organization in the spring of 1962, the Keyette Club has served the school and community in a variety of ways. This year's projects have included maintenance of the school clinic, the sale of light bulbs, and sale of American Field Service Christmas cards. In addition, the Keyettes have visited the County Home each month and have also rolled bandages for the Cancer Society. Membership in the Keyette Club is based on character, scholarship, leadership, and willingness to serve. This organization, which is sponsored locally by the Gastonia Kiwanis Club, has as its motto "We build." Meetings are held three times each month.

The Key Club, Ashley's first service organization, is sponsored by the local Kiwanis Club and is a part of Kiwanis' international leadership development program. Included in the membership are young men of all three classes, who are elected by the club. The members render various services to the school, such as management of the student store, and operation of concession stands for Ashley's athletic events. As special projects, the club painted the seats in the stadium and published a program for basketball. Their annual "Dollar-For-A-Scholar" drive provides a scholarship for a deserving senior. "We Build" is the club motto.

Ninety members, including the band front, made up the Ashley High School Band for 1963-64. Under the direction of Mr. Leslie O. McCollum, they performed for various church and civic organizations. The band also entertained at the home football games, marched in the Homecoming and Christmas Parades, and performed at the Clemson College Band Day.

The highlight of the year was Saturday, February 8, when the band appeared on the Band of the Week program from WSPA-TV, in Spartanburg.

The largest organization at Ashley High School, the Pep Club, seeks to instill a spirit of pride and interest in the student body regarding all programs, with special emphasis on the athletic program. Any student passing his current subjects and maintaining an 85 on citizenship is qualified for membership. Pep Club members engage in such activities as decorating the stadium for football games and the gymnasium for basketball games; they also sponsor busses to out-of-town games. An additional project this year was booster buttons for the basketball games; these were printed and assembled by the members.

The Future Business Leaders of America is the national organization for all students enrolled in business subjects and is sponsored by the National Education Association. All chapters and the FBLA National Organization are supervised by advisory committees—business teachers, school administrators, business and professional men and women—who assume the responsibility for guiding the plans and activities of the chapters. FBLA is composed of active, associate, collegiate, and honorary members.

Mr. Wofford T. Huskey, *Director*

The students of the fifth period vocal class comprise the mixed chorus. This group learns selections of popular, classical, and sacred music which are presented at Christmas and Easter. In addition to Ashley presentations, the chorus also performs for civic and junior high school audiences.

ATHLETICS

High School athletics emphasizes competition and provides a boy with the self-discipline necessary for him to develop himself morally, emotionally, and physically, thereby attaining many of the qualities which go hand in hand with success in our free enterprise system. The Green Wave competes in the rugged 4-A high school conference of North Carolina. Football, basketball, baseball, track and golf are offered to boys in grades ten through twelve; all schedules are organized and sanctioned by the conference coaches and officials. Ten games are played in football; 19 in basketball, 18 in baseball; 8 track meets; and golf matches are scheduled depending on weather conditions.

CHEERLEADERS

One of the most representative groups at Ashley is the cheerleaders. The cheerleaders include four seniors, four juniors, and three sophomores. Throughout football and basketball season, they perform at games and pep rallies. This year the Ashley cheerleaders entertained the visiting cheerleaders with a coke party at each home game. Anita Talley, chief, and Marcia Sugg, assistant chief, have worked hard with the help of the other cheerleaders to arouse school spirit and give support to athletic teams. The advisor is Mrs. Martha Ann Holloway.

Anita Talley, chief cheerleader, led the squad in arousing school spirit.

Kay Fouts, Greenie Gong Keeper, rang out the news of many victories.

The success of athletics here at Ashley High is due largely to the fine coaching department consisting of Mr. Everette Carlton, Mr. Larry Rhodes, Mr. Gaither Cline, Mr. Armand Mando, and Mr. Giles Setzer. Mr. Carlton is head athletic director and coaches football and track. Mr. Rhodes assists in football and coaches basketball and golf. Mr. Cline coaches baseball and assists in football. Mr. Mando and Mr. Setzer coach the Junior Varsity teams.

The fighting Green Wave stormed to a second place finish with a 5-2 record in the conference. The team scored a total of 109 points to the opposition's 89 in producing six wins, three losses, and one tie. Led by co-captain Terry Ghorley, an outstanding performer, the Wave reached a highlight of the season by defeating Garinger 6 to 0. The strong defense played an important role throughout the schedule: the opposing teams did not score by way of ground after the first conference game. A wide open offense with more passing was also put to use this year. Many times during the season the starting line-up contained as many as seven juniors: the valuable experience gained this year makes prospects very high for the Wave next year.

The ideals of clean sportsmanship and devotion to athletics are stressed by the club.

Coach Rhodes, Don Allred, David Morrow
Basketball Co-Captains

The Green Wave finished the regular season with a final conference mark of eight wins and eight losses, and an overall season's mark of nine wins and ten defeats. The Wave drowned Garinger 73 to 48 for the final game of the conference and thus clinched fifth place in the Western 4-A circuit. This score was the highest registered throughout the 19 game schedule. Paced by junior sensation Dale Stubbs, who scored 35 points in the romp past Garinger, the basketball team produced one of the best defensive groups in the area. Stubbs led the scoring with an average of 19.6, followed by senior co-captain Dave Morrow and junior center Calvin Todd, both at 7.5. With four juniors playing regularly during the season, the Green Wave did extremely well with a somewhat inexperienced team, but the returning lettermen will be a bright spot for next year.

TRACK

Up and over!

Todd Hicks wins the 100 yard dash again.

One of the sports growing in interest and popularity here at Ashley High is track, which includes both field and running events. Due to the rigid conditioning program and fine ability, this year's team gained recognition as a conference power. Track also provides off-season training for football and basketball players.

BASEBALL

The baseball season opened this year with much enthusiasm. With four returning lettermen and only one senior, the Green Wave was predominately a junior outfit. All of last year's pitching staff graduated leaving no regulars at that position; however, a strong staff was developed. Further success was insured with the experience gained in each game.

First row: Larry Jennings, Ricky Parks, Bill Bradley, Steve Culbertson, Harry Bryant. *Second row:* Royce Robinson, Dickie Giles, Dave Robinson, David Heywood, Ronnie Smith. *Third row:* Lee Babington, Leonard Morgan, David Morrow, Dale Stubbs, Donald Easler, Robbie Lineberger, Charlie Turner.

ADVERTISEMENTS

For over a quarter of a century the businessmen of Gastonia and Gaston County have made the SPINNER possible through the financial assistance they have rendered. Ashley High and the SPINNER staff thank them for their continued support.

The 1964 SPINNER staff has worked diligently to produce a yearbook that the entire community can be proud of and one that will be a credit to our school and our city.

THE HONOR SYSTEM DEVELOPS MATURITY

Toward acquiring a sense of personal honor and self-respect, which characterizes the truly mature individual, the honor system makes invaluable contributions. Through its constant emphasis on such specific traits as honesty, courtesy, and respect, it develops the broad attitudes of good conduct and personal integrity—the characteristics of good citizenship.
